

**Dhanush Moolemane**

AI & ML Student | RV College of Engineering (2027)

**Summary**

Artificial Intelligence and Machine Learning student with hands-on experience in data science, machine learning models, and real-world projects. Passionate about building scalable AI systems.

**Education**

RV College of Engineering

B.E. in Artificial Intelligence & Machine Learning (2023–2027)

**Skills**

Machine Learning, Deep Learning, Python, Data Analysis, Model Optimization
